*Title 5, Section 55220*

The Copper Mountain Community College District supports the concept that many college-sponsored activities require or may be significantly enhanced by field trips or excursions from the College campus.

The Superintendent/President shall establish procedures that regulate the use of District funds for student travel and attendance at conferences and other activities that are performed as a class assignment or co-curricular activity.

The District may pay for expenses of students participating in a field trip or excursion with auxiliary, grant or categorical program funds, if the funds are used consistently with the funding source. The expenses of instructor, chaperones, and other personnel traveling with students may also be paid from District funds.

Students and staff shall at all times adhere to the standards of conduct applicable to conduct on campus.
