Copper Mountain Community College District Section 7000 – Business Services

Board Policy

7190

BP 7190 Parking and Traffic Regulations

It is the policy of the District to enforce traffic regulations on its property by the authority granted in the California Vehicle Code. All persons using or visiting District facilities shall observe all traffic and parking regulations. Appropriate signs shall be erected giving notice of special conditions or regulations. Traffic regulations are included in the Administrative Procedures.

Adopted: October 22, 1999
