Verification of Other Untaxed Income for 2013

**Dependent students must now include both of the dependent student's legal (biological or adoptive) parents, if the parents live together, regardless of the marital status or gender of the parents.

If any item does not apply, enter "N/A" for Not Applicable where a response is requested, or enter 0 in an area where an amount is requested.

If the student was required to provide parental information on the FAFSA answer each question below as it applies to the student and the student's parent(s) whose information is on the FAFSA.

If the student was not required to provide parental information on the FAFSA, answer each question below as it applies to the student (and the student's spouse, if married) whose information is on the FAFSA.

To determine the correct annual amount for each item: If you paid or received the same dollar amount every month in 2013, multiply that amount by the number of months in 2013 you paid or received it. If you did not pay or receive the same amount each month in 2013, add together the amounts you paid or received each month.

If more space is needed, provide a separate page with the student's name and ID number at the top.
