

**COLLEGE CREDIT FOR ADVANCED PLACEMENT (AP) TESTS**

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Tests with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and CMC A.A. general education (GE) and/or major requirements.

Students must have the College Board send official AP exam results to the Admissions Office for use on the A.A. or GE patterns.

Course credit and units granted at Copper Mountain College may differ from course credit and units granted by a transfer institution. See an academic counselor for further information.

AA: A student who receives AP credit and then takes the equivalent Copper Mountain College course will have the unit credit for such duplication deducted prior to being awarded the A.A. degree.

Credit by Advanced Placement exam is noted and listed on a student's transcript with units assigned and no grade.

CSU GE: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

IGETC: AP exams must be used in area indicated regardless of where the certifying CCC's discipline is located.

+ Indicates AP exams may be used in either area regardless of where the certifying CCC's discipline is located.

1 These units count toward eligibility for admission. The units **may not all apply toward certification** of the corresponding CSU GE-Breadth area.

2 Removal date Fall 2009 for CSU GE Breadth - students seeking certification in GE Breadth prior to transfer must have passed the test before this date.

3 Removal date Fall 2010 for CSU GE Breadth - students seeking certification in GE Breadth prior to transfer must have passed the test before this date.
