

Attention Graduates!

How would you like your University acceptance letter and picture displayed on campus? There will be a bulletin board posted in both the 100 and 200 Quads dedicated in your honor. It's our way of saying "Congratulations" and "A Job Well Done." If you are interested in this privilege, please contact Cassie Nafziger or Josh King in Student Services 760-366-3791, ext. 5867 or 5895.
