2021 VIRTUAL TRANSFER CELEBRATION

5th Annual Celebration to Congratulate Students on Acceptance to University

For the past 5 years, CMC has organized a luncheon event to congratulate students who applied and have been accepted to four-year universities. This year, we hosted a pre-recorded, virtual event on YouTube.

Each Spring, students are asked to submit a copy of each acceptance letter they receive from universities they have applied to for transfer. The letters serve two functions: each letter is an entry into a drawing for a \$250 scholarship and these letters help us understand where students are applying, the majors they are interested in and who has been accepted. This year, we received 39 letters of acceptance to university!

CONGRATULATIONS to Mallori Luna, our 2021 Transfer Scholarship winner!

Mallori states:

"I will be attending the University of Redlands in the fall and will be majoring in Communication Sciences and Disorders to become a Speech Language Pathologist. I couldn't have done this without my three beautiful children who have all pushed me to succeed! Congratulations to everyone and good luck on all your future endeavors!"

CONGRATULATIONS to each and every one of our transfer students! We are so proud of you and recognize that you have worked so hard for this; it was never easy and **YOU DID IT!**
