

M	IP	N	Completion and certification of CSU will permit a student to transfer from Copper Mountain College to a campus in CSU system without the need, after transfer, to take additional lower-division general education courses. All courses must be completed with a grade of “C” or better. CERTIFICATION: GE Certification means that CMC has verified that a student has completed lower-division requirements for the CSU system. Certification is important, without certification students will be held to general education requirements specific to the CSU campus to which they transfer. GE certification is not required for transfer. Some high unit majors, for example engineering, may recommend prioritizing major preparation classes over GE certification. See a Counselor for more information. LEGEND: <i>Courses without prerequisites are italicized</i> *Courses that appear in multiple areas below, can only be counted in one area. +Transfer credit may be limited by UC, CSU or both. HOSPITALITY

ASSOCIATE IN SCIENCE IN HOSPITALITY MANAGEMENT for transfer

Hospitality Management is the study of the various aspects of the hospitality industry as well as business processes that underlie all aspects of hospitality organizations. The degree introduces students to hospitality sectors such as hotels, restaurant, travel services, gaming and entertainment, recreation, managed services, and special events. The Associate of Science in Hospitality Management (transfer preparation) will enable students to transfer to a CSU to continue studies in a bachelor's degree program.

This degree includes the following completion requirements:

- (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth Requirements.
 - (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- (2) Obtainment of a minimum grade point average of 2.0.
- (3) A grade of "C" or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Upon successful completion of this program students will be able to:

1. Utilize the functions of business to support the hospitality industry in order to maximize profits. (Institutional SLOs: Critical Thinking and Personal Development)
2. Analyze trends, culture, and customer relations within the hospitality industry. (Institutional SLOs: Communication and Information Competency)
3. Discuss key legal and regulatory issues that relate to the hospitality industry. Institutional SLOs: Communication and Critical Thinking)
