Distance Education at CMC

CMC Students really like Canvas!

REMINDER: The first day of the fall semester is

Monday 08/18/25

Canvas by Instructure
our Learning Management System (LMS).

We have lots of information to help you get started in Canvas on our website:

<http://https://www.cmccd.edu/academics/online-courses/>

Quick Start:

Log into MyCMC. On the left side of your screen click on the button that says "Click here to log into Canvas" and it will take you right in.

First click on "Account" where you will create your Profile and choose your Settings & Notifications preferences.

We think you are going to like the Settings options. On the right side of your screen you can choose to have all messages sent as a text to your phone (Other Contacts - Add Contact Method). You can choose how often you want to be notified of your announcements, grading, assignments, etc. You can even upload a profile picture!

Now click on "Dashboard". On the first day of the semester, you will see all your classes here that are using Canvas. Click on the class you would like to enter. Follow the instructions from your teacher.

Avoid being dropped from your class!

ATTEND & STAY ACTIVE IN YOUR CLASSES.

It is extremely important for you to attend the first class meeting. Instructors may drop students who do not appear in order to make room for others who may desire to take the class.

If you are taking an online class you must complete substantive work in your online class no later than 11:59pm, for the following dates:

5 week Summer: June 16, 2025

7 week Summer: June 17, 2025

Fall Semester: August 24, 2025

Session 1: August 20, 2025

Late Start: September 05, 2025

Session 2: October 15, 2025

or you will be dropped from the class.

If you stop attending and participating in your class, your instructor will drop you from the class at census.

If a student is dropped for nonattendance at the first class meeting (or first week for online students), and if space is available, it is the student's responsibility to reregister into the class in the Office of Student Services or online through MyCMC portal.

If a student is dropped at census for non participation they will not be able to add a full semester class.

Information Competency is one of the core competencies for CMC students.

Technological Literacy Matters at CMC!

Online learning is not just for online or hybrid classes!
Any class may be web enhanced.

Many of our classes use Canvas and/or online sites such as MyMathLab, MyLab, MyProgrammingLab, or the textbook publisher's website for assignments, testing, homework, etc. Check the information on your class registration for your course material needs which may require an access card in addition to your textbook.

Common Course Numbering (CCN)

Beginning in Fall 2025, the **Common Course Numbering (CCN)** system—mandated by the state under initiative AB 1111—will be implemented to simplify student transfers and establish uniform course numbering across all California Community Colleges.

Currently in **Phase 1**, the CCN initiative focuses on aligning course numbers for general education and transfer pathway courses. The system is designed to ensure that comparable courses across community colleges share the same course number, thereby streamlining the transfer process to four-year institutions and helping students avoid accumulating excess credits.

Courses designated as part of the CCN system will include a **"C" in their course numbers** (e.g., ENG 003A will become ENGL C1000). Additionally, **some subject area prefixes will change** to meet statewide standards (e.g., PS will become POLS).

All changes—including updated course numbers and prefixes—will be **clearly noted in the class schedule** to help students identify and navigate the transition with ease.

California Community Colleges are determined to bring down the cost of textbooks.

Learning Modalities

Face-to-Face (F2F)

In-person and on-campus classes with weekly scheduled meeting days and times. Students complete the semester on campus, in person unless the college is ordered to discontinue face-to-face classes. OWL cameras, video recordings of lectures, and Canvas may be utilized to enhance F2F courses.

Online: Synchronous (OS)

Specific days/times: distance education classes with regular weekly meeting(s) during scheduled days and times. Students attend class in Zoom during the published course times. Additionally, students log in to Canvas and complete work regularly throughout the week. Canvas and other technologies are required to complete coursework.

Online: Asynchronous (OAS)

Distance education classes with no scheduled meeting days/times. Students log in to Canvas and complete work regularly throughout the week. Canvas and other technologies are required to complete coursework. Asynchronous online classes will list "TBA" under the Days & Times.

Online: Occasional Meeting (OM)

Successful online students are great at
time management!

Our schedule lists "in-class" hours.

In addition, **ALL CLASSES** also have **OUT-OF-CLASS** hours.

A typical 3 unit lecture class requires 54 hours of in-class time and 108 hours of out-of-class time for a total of **162 hours**.

When registering for a typical 3 unit lecture class* use the numbers below to help manage your time wisely:

- Regular 16 week semester: **10.2 hours** per week
- Condensed 8 week: **20.25 hours** per week
- Condensed 5 week: **32.4 hours** per week (summer session)
